

Guidelines for Eagle Project Reviews: Neuse River District

Eagle Project Reviews: The Scout must use the Eagle Scout Leadership Service Project Workbook No. 512-927 for May 2014, which can be found on the website at:

http://www.scouting.org/filestore/pdf/512-927_fillable.pdf

This is a requirement in preparation for your project review. The Scout should submit the Eagle Project to Jim Crawford, District Eagle Board Chair **at least 10 days before the scheduled review date**. The scheduled date for Eagle Project Reviews is the first Thursday of the month at the Church of Jesus Christ of Latter Day Saints at 1524 Jenkins Rd in Wake Forest. If the Eagle Project is not submitted 10 days prior to the first Thursday of the month, the Scout will not be put on the Schedule. **Please don't call and ask the day before the scheduled time to be put on the schedule.**

The Scout can email the project to Jim Crawford at jcrawford52@nc.rr.com (home email), enzyme.specialist.crawford@gmail.com (work email), or fax it to 919-562-7059, or mail it to 8121 Hawkshead Rd, Wake Forest, NC 27587. **DO NOT bring or send Eagle Projects to the Occaneechee Council Office. They will not get it to me.**

The Scout needs to completely fill out the **Contact Information Sheet listed as Proposed Page B** and be sure to have the proper signatures which are found on **Proposed Page E** Eagle Scout Service Project Proposal. This is VERY IMPORTANT. No Contact Information Page and Signature Page, no review.

The Scout will be contacted by Jim Crawford about scheduling a 7:00 or 8:00 PM time for the Project Review. The Scout needs to bring 2-3 copies of his Eagle Project with him on the night of the review. The Troop needs to provide ***three Committee Members*** to help out with that evening (possibly for both sessions at 7:00 and 8:00 PM). This is necessary since we have limited volunteers trained to do Eagle Boards and Project Reviews. A Project Review Committee consists of at least 3 committee/district trained people. If you would like to help with Eagle Boards or Project Reviews on a regular basis, please contact Jim Crawford at 919-349-2429 or jcrawford53@nc.rr.com or enzyme.specialist.crawford@gmail.com

If for some reason the Scout has not heard from Jim Crawford 2-3 days prior to the scheduled project review about a time slot, please phone him at 919-349-2429 (cell phone) to discuss the situation.

Thanks for supporting our Eagle Scouts and their Projects.

Jim Crawford
